Kindergarten Section Study Guide - Term One KG2 2025-2026

Dear Parents

During the first term, we covered the skills that the kindergartener should acquire. Thus, your child will be assessed and evaluated according to the below mentioned skills. You will receive a review booklet to help you review the skills with your child. **Study the review worksheets that will be sent to you in order to cover the following skills.**

Date	Subject	Required Skills
Monday 24/11/25	Colors	(Red, Blue, Yellow, Pink, Green, Orange, Purple, Brown, Black, Gray, White) Identify a specific color. Recognize colors in the environment.
Tuesday 25/11/25	Shapes	(Circles, Squares, Ovals, Rectangles, Triangles, Diamonds) Identify a specific shape. Recognize shapes in the environment. Promote the student's motor skill. Recognize and complete shapes. Solve pictures problems.
Wednesday 26/11/25	Opposites	(Inside, Outside/ Up, Down/ Fast, Slow/ Top, Bottom/ Hot, Cold / In Front of, Behind/ Big, Small/Long, Short/Dry, Wet/Full, Empty/ Close, Open/Dirty, Clean) Identify and recognize some basic opposites. Describe different situations.
Sunday 30/11/25	Phonics	<u>The Learned Consonants</u> (Tt,Vv, Hh, li, Ll, Ff,Ee,Cc,Uu,Aa,Pp,Oo) Recognize and form the uppercase & lowercase of each alphabet letter. Isolate, pronounce, and write some initial sounds. Match the initial sound with the correct picture. Recognize and identify some flashcards.
Monday 1/12/25	Math	0-8 Recognize and form the numbers. Know a number's name and the count sequence. Match the number of objects with the correct written numeral. Count orally from 0 to 20.
Tuesday 2/12/25	Science	Identify the body parts (eyes, ears, nose, mouth, hands). Identify and observe common objects by using the five senses. Distinguish between living and nonliving things. Recognize the plant's parts (roots, stem, leaf/leaves, flower) and needs (air, water, sun, soil). Recognize some animals' needs, movements (swim, crawl, fly, walk, and run), and shelters (cave, web, lake, and nest). Describe autumn and its related items. Differentiate between junk and healthy food. Put and arrange things in order.
