

(Grade: 10F) (IG)

Date	Subject	Requirements
Sunday 5/10/2025	Math	<ul style="list-style-type: none"> Fractions and its operations, Rounding. Speed. cube numbers & cube root. formula. Subject of the formula. Lower & Upper Bounds. Solving Exponential equations. Surds. Rationalizing denominator. Expanding and factorizing. Units' Conversions. Square numbers & square root. Substituting into a Complete the square
Monday 6/10/2025	ICT	Chapter 7: The systems life cycle page: 82-91 Chapter 8 – Safety and Security page: 92-102 Chapter 9: Audience page: 103-106
Tuesday 7/10/2025	Biology	16.4 Sexual reproduction in humans 16.6 Sexually transmitted infections - 16.5 Sex hormones in humans - + given past papers
Wednesday 8/10/2025	Arabic	- المقال والنقاش - المطلوب : التدرج على الدروس المحددة . - النص الوصفي - الخطبة
Thursday 9/10/2025	Chemistry	10.1 Properties of metals 10.4 Identifying metal ions 10.7 Alloys + given past papers - 10.2 Metal reactions - 10.5 Extraction of metals - 11.1 Water - 10.3 Reactivity of metals and their uses - 10.6 Metal corrosion - 11.2 Artificial fertilizers
Monday 13/10/2025	English	Reading , Writing , Speaking and Listening Test (Guide lines will be given by the teacher)
Tuesday 14/10/2025	Regular School Day	Regular School Day
Wednesday 15/10/2025	Physics	4.1 Simple phenomena of magnetism 4.2.3 Electromotive force and potential difference + given past papers - 4.2.1 Electric charge - 4.2.4 Resistance - 4.2.2 Electric current - 4.2.5 Electrical working
Thursday 16/10/2025	Combined Science	C10 Chemistry of the environment B13 Drugs Motion (physical quantities and measurement techniques) P1.3 and 1.4 mass and weight and density P1.7 Energy resources, and pressure P2.1 and P2.2 kinetic particle model of matter & thermal properties P2. 3 and P2.4 Transfer of thermal energy & consequences of heat transfer + given past papers - B11 Gas exchange in humans - B14 Reproduction - B12 Respiration - P1.1 and P1.2 - P1.5 forces - P1.6 Energy and work and power
